

Supporting a thriving Fort Meade Region

The Fort Meade Alliance Foundation's vision is to make Fort Meade the most vibrant community of military, civilian personnel, veterans and families in the region.

The Fort Meade Alliance Foundation has the opportunity and responsibility to:

Foster a healthy military community.

Ignite interest in STEM and education.

Build our critical workforce to continue to protect our nation's freedom.

It is our mission to make that happen.

We continually work to provide the resources, services and programs that make our community stronger.

The Fort Meade Alliance Foundation is the philanthropic arm of the Fort Meade Alliance, which financially supports vital initiatives that have proven impact:

- Military resiliency and education
- Services to support the military child
- Military transition employment programs
- STEM programs for students
- Cyber readiness among K-12 students
- Accelerated academic programs for high school and community college students

The Fort Meade Alliance Foundation needs supporters like you who are committed to our priorities. An investment in the Foundation ensures:

- ★ Funding of resiliency and education programs for our military and their families
- ★ A culture that empathizes and supports military families in school
- ★ Assistance for seeking success in the civilian workforce
- ★ More K-12 students will be exposed to science, technology, engineering and math
- ★ College students will be prepared with the skills and certifications to meet workforce demands
- ★ Core support for the continued success and sustainability of the Foundation
